April 17-29, 2011

Christina traveled with her class from Heritage Christian School to San Jose, Costa Rica. They were met by Chris & Diana Overall who we first got to know about 20 years ago while ministering in Prineville, OR. The students worked and ministered at Sojourn Academy and Camp Brittney, as well as 2 orphanages and a slum area. They finished the trip with a visit to the ocean!
