Science 101

Dear Duncan,

Canada's Double Portion was involved in a variety of things during March. Sometimes it seemed summer was ready to break forth on the Prairies! Other times it appeared to be the heart of Winter! No matter the weather, we were busy with the Gospel.

Our kids attend Heritage Christian School in Battleford, Sk. The teachers faithfully get their homework prepared before we leave on tour and we faithfully try to make sure it is done on the road. Debbie is the "on bus" teacher and Duncan is the principal. We both take our jobs very seriously!!! Madison had several science experiments to do on the road. This one is 4 different powders (salt, baking soda, sugar & corn starch) and mixing them with 3 liquids (water, vinegar & iodine). He was to note how each substance reacted to the liquid. After trying vinegar and baking soda in a moving bus, we decided to do the rest of the experiment sitting still.

Thank You!!

We are so grateful to all the churches who had Canada's Double Portion in concert. Thank you to all the people who opened up your homes and looked after members of our group. You always go out of your way and bless us!! We are laborers together in the Harvest!!

(photo) including our former "drummer with the pink slippers" Don Toovey & his wife Lauryn Olson and Duncan's youngest sister Lori. Duncan, Debbie, Jardeth, Christy, Moriah all sang or acted in the play. There were three performances with near capacity.

Cities Under Fire

Andrew & Jardeth's band [Cities Under Fire](#) shared 3 times to different youth events in Saskatchewan including "three60five" at Nipawin Bible College. The school hosted them from the Yukon to Ontario. "CUF" also spent a week in Northeast Christian Recording studios for final touches on their soon to be released "Lukewarm Love" CD.

Halls, A Curling Rink, Church, School, A Campground

We started Good Friday, April 1st, with services in Strathclair, MB. From there we crossed the border into Ontario for Easter Sunday in Kenora and then ON. We worked our way all the way as far as North Bay & Powassan then headed back on the final leg of Highway 11. Every once in a while we had a venture off the Highway to places like Lookout, Chapleau, Gogama and Manitowadge. What an awesome

"Its great seeing a family play together, pray together and stay together!
"Thanks so much for sharing your joy of the Lord with us! K.M.

"You were the talk of coffe row!" E.R.

"Just want to let you know that you guys were fantastic today and I thank God

"Very touched by your ministry!" K.K.

Thankful for All Things!!

After our concert in Sioux Lookout, ON a gentleman came and
could fill our bus with diesel fuel the next morning. We went to
cardlock and the attendant put in 357 litres! Wow, what a gre
encouragement that was. Later on in the tour someone put a
card in the offering. Who knows it could have a \$1000 on it I
walked to the nearby Tim Hortons! I ordered my usual extra
vanilla cappuccino. The clerk swiped the card and told me I
left!! I was reminded "*in everything give thanks, for this is the will of*

Jesus for you" 1 Thessalonians 5:18
